➔ After upgrading to the Level 2, User (A) will get the nine (9) downline partners.

FEATURES AND FUNCTIONALITY

CORE CONCEPT

STEP 6

- In Level 2, User (A) can earn R900 from downline members.
- User (A) downline members need to upgrade their level so they will give donation to their up line member.
- $R100 \times 9 = R900$ (thrice the amount invested)

FEATURES AND FUNCTIONALITY

CORE CONCEPT

STEP 7

- ➔ After earning the R900, User (A) needs to upgrade to Level 3.
- ➔ R600 will be taken for the upgrade fee.
- ➔ The remaining R300 can be withdrawn by the user after upgrading.

FEATURES AND FUNCTIONALITY

CORE CONCEPT

STEP 8

- ➔ After the upgrading to Level 3, User (A) will get 27 downline partners.
- ➔ In level 3, User (A) can earn R16,200 from their downline members.

FEATURES AND FUNCTIONALITY

CORE CONCEPT

STEP 9

- In level 3, User (A) can earn R16,200 from their downline members.
- Like in the step 6, the 27 downline users need to upgrade from level 2 to level 3, so they will donate the R600 to user (A).
- $R600 \times 27 = R16,200$

FEATURES AND FUNCTIONALITY
